

ADDENDUM 1 – Issued 8/14/19

Sole Provider - Great Rivers Greenway Trail Signage Fabricator

This addendum is for the requested sign panel sample for Sign Type Gx-4. The panel thickness has been added and the material has changed from what was included in the Exterior Sign Design Standards Guide originally posted on 8/8/19. A new standards guide has been posted here <https://greatrivergreenway.org/bid/request-for-qualifications-sole-provider-of-greenway-signage/> Below is the detail from page 22 of the guide showing the updated sign panel specs:

1 FRONT ELEVATION - SIGN FACE LAYOUT
3/4" = 1'-0"
